LEVEL 4 NEWSLETTER

**TERM 4
WEEK 4
2015**

WELCOME

WHAT'S ON?

Teachers are currently busy working on Semester 2 reports and students are busy working on normal curriculum activities including structuring a narrative piece of writing that will form this semester's writing assessment.

We have had a very busy start to the term with Grandparents' Day, Level 4 Sport photos and our school movie, for which the movie night has been set for 6th November on the school oval area. We look forward to seeing our families with their picnic blankets and maybe dinner, relaxing in front of the portable screen while they view their child/ren perform. Mr Fraser has been extremely

busy catching up with students who may have missed some filming, getting narrators to do their lines and editing for the big night.

This week we begin Graduation practice with our Year 6 students. If you have any questions regarding dress code, please refer to the note that was sent home or speak to your child's class teacher. We thank all the Year 5 parents who have returned notes offering to assist in the afternoon of graduation or during the evening. You will be contacted in the near future regarding what time you will be required.

Please remember to order your Vermont Views magazine as soon as possible.

11th December Year 6 Graduation

14th—15th December Whole School Transition

16th December Class Parties

17th December Last Day

Earn and Learn

This week our focus is on needs and wants. This has generated a great deal of interesting discussion. We also have been spending time calculating weekly wages, filling in bank accounts and making withdrawals for rent, utilities

and rates.

Next week, being a short week, students will not be doing their normal homework tasks but rather a take home activity. They will need to look at a supermarket shopping docket.

Students are participating in

a game involving buying and selling. The aim is to learn about setting prices for necessities.

We will then move onto learning about resources and paid and unpaid work.
